Hi Sabi, got thro my medics this week about 55-50 today with Cootzee a difficult man - No further problems review in 4 weeks.with some anti -inflam pills in the meantime. my love, how are you? worse than dangled on a carrot. never feel that, My Love is 100% to you even from afar We can make this happen despite whatever.So all is set for Feb 15th to meet let us take it from there.at Jo'burg airport what will you wear for me, please a smile, I will notice. Got to be back before Mar 02????? medical if if ?????. for me not sure, but let it take it's course. Sabri I feel like a young man agaiin what with all this excitement for us. I hope you have many places for us places for us to visit. Four corners looks good for us as example to dine out, But where are we ??? What have you got in mind??? I do like us to dress up and feel good although for me out of a suittcace is limited

Sabi my feelings toward you grow every time I converse with you

Take Care . Love you whatevever –

As ever, .with restricted love from afar Yours affectionately –John
