3.

I am residing at the above mentioned address since 1996. I know most of the people in the area and is well known in the area. During the time that I am staying in Kenana Park I met an Indian male by the name of Robert. I met Robert about seven years ago. Also during this time Robert approach me and asked me if I can assist him to fetch his sister in Johannesburg as she is going to stay with him for a while at Kenana Park. I cannot remember the year but I did indeed assist Robert and fetch his sister with my bakkie in Johannesburg. I met his sister in Johannesburg but I cannot remember her name. Robert's sister lived with him for more than two years at Kenana Park. During this time I gave my cell phone number to Robert's sister as she and Robert had more than one fight. I said to his sister that she can call me at any time to assist if they fight again. I never knew what they were fighting about.

4.

I cannot recall the day but I went to Robert's house to ask him why he is fighting with his sister. Robert was calm and relax and that's when he told me that his sister killed her husband and buried him at the farm. He never told me how his sister killed her husband. Robert told me that is for a long time they he is hiding this story about his sister husband. The next day I called the police at Vereeniging. They did come to my house and I told them the story of Robert's sister. The police indicated to me that Robert needs to tell his story to the police. I do not know if Robert or the police talk to Robert or not.

5.

About two months later Robert again asked me to assist, by taking his sister to OR Tambo Airport as she is going to Indian. Robert, his sister and myself used my bakkie to travel to the airport and I dropped off his sister at OR Tambo airport. I cannot remember the time, but about two to three months later I went with Robert to OR Tambo airport to pick up his sister as she was back from India and I dropped them off at Robert's place in Kenana.

6.

During the beginning of 2020 I received a call from Robert's sister regarding "CV's" that I need to collect on her behave as she can assist people with work. I then went to the local clinic "Thulamtana" that is situated across from my house to ask the locals who was looking for work, and that's how I collect the CV's for Robert's sister. She visited me two times with a silver vehicle at my place to collect the CV's. The first time, I noticed an old male next to her in the vehicle. I even greeted the old man. The second time she was alone in the same vehicle. Robert's sister first call me the day, to say that she is in the area to come and collect the CV's. Then it was lockdown and I never saw Robert's sister again.
