Dear Roger I trust you are well. I spent a lot of time considering my decision on having the properties sold, and also taking consideration of my current emotional status. I think shouldn't make hasty decisions. I have thus made a decision to rather have the properties transferred into my name for now. Please do not put them on Auction. Please accept my apologies for any inconvenience caused Thank you for your assistance Kind regards Zaheera Boomgaard 0812433756 Send from my vivo smart phone

Dear Yvette

I trust you safe from all the damage from the rain.

OK I went past the house after our meeting and was not able to see the registering number. There was another car parked behind blocking the registration number.

The Erf numbers 505 and 507 is one stand, I would assume it's a double stand thus two erf numbers. Please Auction it.

I searched through all my documents and am not able to find copy of Tonys Will. I think I must have destroyed it when Lynette informed me that her attorney was assisting her interstate. As mentioned our relationship was more important than the inheritance. Please ignore the property in Orange Grove.

Apart from the burial cost and municipality account which is currently in access of R8 000. I don't know of any other debts.

Please cancel the TV account it's in Lynettes name.

Please email me a copy of the letter of executorship.

Thank you for your assistance
